West Basin Makes First Move To Annex To Metropolitan

First move toward annexation to the Metropolitan Water District of Southern California was made last Thursday afternoon by the Board of Directors of the new West Basin Municipal Water District.

Assembled in the Redondo Beach City Hall for the purpose of installing the new directors, the Board passed a resolution to send a letter to M.W.D. asking for the terms upon which the recently formed district could be annexed.

It was the first official step taken by the West Basin district toward the purpose for which it formed—annexation to Metropolitan.

The new district includes, besides Lomita, Redondo Beach, Hermosa Beach, Manhattan Beach, El Segundo, Palos Verdes Estates and Hills, some Dominguez territory, Moneta, Lennox, Lawndale and Norman.

William C. Farquhar, representing Division 1, which includes Lomita, was installed on the Board of Directors as were Robert E. Austin of Hermosa Beach, R. W. Pritchard of Redondo Beach, August Riess of Lawndale and R. L. Hutchins of El Segundo.

Installing officer was Chairman of the Board of Supervisors Raymond V. Darby, who

Gilbert Reese Concert Set

Gilbert Reese, brilliant young cellist and winner of the 1947 KFI-Hollywood Bowl auditions contest, will be presented in a civic-sponsored recital in the Concert Hall at the Municipal Auditorium in Long Beach on Sunday evening, April 4th.

Inspired by a sincere desire to pay well-deserved tribute to this outstanding young artist, who has already brought widespread recognition to his home city of Long Beach, the recital is being sponsored by the leaders of practically all major civic and cultural organizations of the community.

Tickets for the recital, which already have an exceptional advance sale, may be procured at the Auditorium Box Office and Humphreys Music Co. in Long Beach, and at the Vines Music Company in San Pedro. All mail orders should be sent directly to the Auditorium Box Office.

ALASKAN TRAVEL RESTRICTIONS ARE REMOVED

Effective immediately, all travel restrictions on the Alaska Highway have been abolished.

As a result, motorists may now drive from California to Fairbanks, Alaska, without permits or other restrictions, via one 4000-mile continuous highway.

Science Museum Inaugurated By Student Council

By Ten-Year-Old Adele Curtiss

The Torrance Elementary Student Council started a Science Museum because so many children had been bringing animal skins, army souvenirs and many more interesting things to school.

The Science Museum is being held in Room 13.

The three people chosen to get it started were Adele Curtiss, chairman, Fred Diesel and Carl Irwin, helpers. Mrs. Margaret Hodson is the teacher-advisor.

She hopes to paint the display boxes and make the cards identifying each object. The cards were made from heavy paper with the names of the objects on them. The display boxes were painted different colors, some are red, some blue, and some white.

The class can go to Room 13 any time of the day with a teacher.

The children can bring stamp collections, coin collections, shells, stuffed animals, military insignia, flags, and other objects of historical or scientific interest to school. We hope that the Science Museum will grow

Local Man In C. N. G. Post

Appointment of two officers of San Pedro units of the 682nd Anti-aircraft Artillery Automatic Weapons Battalion, California National Guard, was announced recently by Major General Curtis D. O'Sullivan, adjutant general of California.

The officers and their assignments are:

Second Lieutenant Robert L. Wonders, of 20942 La Salle avenue, Torrance, to be platoon executive officer of Battery "A"; and First Lieutenant Richard F. McCarthy, of 10444 San Anselmo, South Gate to be motor transport officer, assigned to Headquarters and Headquarters Battery.

Both officers are veterans of World War II.

(Regarding A&P's Meat Dept.)

We regret that again today we cannot advertise meat products because an unwarranted and unnecessary strike of the A. E. of L. Meat Cutters union has closed our Meat Departments.

The strike was called because the A&P could not break the law by signing a "closed shop" contract, demanded by the Union. A&P is prohibited by law from signing such a contract because it is engaged in interstate commerce.

The case now is in the hands of the National Labor Relations Board, who, last week, applied to Federal Court seeking an injunction to restrain the Union from Unfair Labor Practices. We hope soon to offer you the complete service in our stores to which you are entitled.
